

# **A NOTE FROM MS. REMINGTON - AUGUST 23RD**

Hello Parents! I hope the first few days of the new school year have gone smoothly for your student. We are still working on the procedures for 5<sup>th</sup> grade. I will be patient with the students as we get everything figured out!

Your student was given a homework reading log on Monday. It is due the following Monday. Your student should read for 20 minutes for 5 nights each week. If you are unable to read on a certain night because of church or an extracurricular activity, your student can read over the weekend to meet the requirement. Your student should record the book title, minutes read, and complete a quick activity for that night's reading. If you have any questions, please contact me at my school email listed below.

Your student began filling in his or her planner this week. Please review and sign your child's planner each evening. This will give you an idea of what we are doing in the classroom each day.

Please take a few minutes to send me a quick email so I can save your email address to my address book. My email address is listed to the right. Thanks!

I began sending Remind messages this week. You should have received some concerning spelling lists, planners, and the homework reading log. I frequently use Remind, and I hope you find the messages helpful.

**Our first Spelling test is Friday over list #1. Our first Vocabulary test is Friday over Lesson #1** in the blue vocabulary book. A great way to study for these tests is Quizlet! The students used Quizlet this week in class and should know how to find it from the Preston website. It is free and you do not need to make an account.

Please visit my teacher website. It is handy for Quizlet, book orders, notes from the teacher, etc. Here is the address:
